Report of Seminar on C, C++

Date: 26/2/2021

To,
The Principal,
PCET-NMIET,
Talegaon Dabhade,
Pune – 410507.

Subject: Report on Seminar on C, C++

A recent seminar was organized to provide an in-depth understanding of the C and C++ programming languages. The event was attended by all Branch students. The seminar was divided into three sessions, each focusing on different aspects of C and C++.

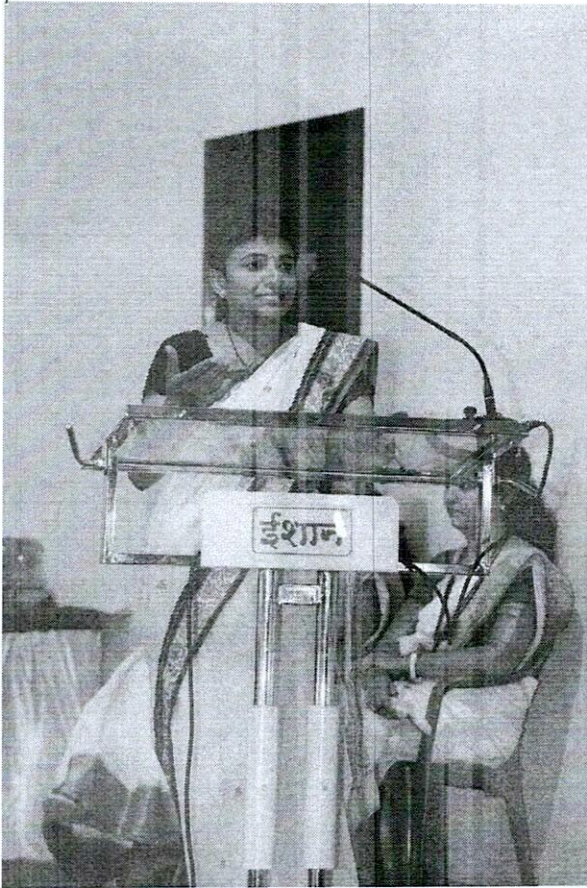

Key Takeaways:

1. Understanding the fundamentals of C programming is crucial for mastering C++.
2. Pointers and memory management are essential for efficient programming in C and C++.
3. Object-oriented programming principles in C++ simplify complex problem-solving.
4. Real-world examples and practical applications help in grasping the concepts better.

Respected Mam,

Thanks for your positive response for our request to give seminar to our TE and BE students on " C C++ "on 03rdJan 2019 at our college. Your seminar was excellent and was thoroughly informative. We appreciate you sharing your time and expertise with us.

We really appreciate your kind support for our students to give an idea about placement in C C++. Looking forward for your continual support and long time cooperation for the same.

Yours faithfully
