Report for Training Organized

Department: Computer

Academic Year: 2018-19

Date: 25th February, 2019

To,

The Principal,

Through: The HOD, Computer

Subject: Submission of the Report of Business Communication Sessions for TE, BE Computer Engineering Students.

Respected Sir,

Soft skills refer to both character traits and interpersonal skills that will influence how well a person can work or interact with others. The term soft skills cover a wide range of skills as diverse as teamwork, time management, empathy and delegation. Objective behind this is to develop the problem solving skills and analytical ability of the student which helps to improve the personality and capable to represent his/her knowledge to handle the problems in Computer Engineering. Soft skills are personal attributes that influence how well you can work or interact with others. These skills make it easier to form relationships with people, create trust and dependability, and lead teams. In essence, they are essential for your success in the workplace, your company's success and your personal life.

Hence care has been taken to introduce the student to various concepts gradually followed by examples and student taken greatly benefit of this subject.

No. of Participants: 134 students.
