Department of Computer Engineering

Seminar on "Copyright"

Department: Computer

Academic Year: 2019-20

Date: 05/02/2020

▪ **Objective of Activity:**

The objective of Indian copyright law is to provide protection and recognition to creators of original works, encouraging artistic and creative endeavours across various subject matters. Copyright protection grants creators the authority to control the use and distribution of their works for a limited period.

▪ **No. of Participants:** 109 students.

▪ **Topic:** Copyright

▪ **Speaker:** Mr. Prashant Dusane

R&D Co-ordinator, SKN Lonavala

▪ **Brief Description of Activity:**

Department of Computer Engineering in Nutan Maharashtra institute of engineering & technology, Talegaon Dabhade Pune, has organized expert lecture of expert session on "Copyright" for Computer Engineering Students.

Our department of Computer Engineering has organized expert lecture of expert session on "Copyright" therefore this topic included as a Copyright for students in Computer Engineering Courses.

▪ The lecture topic was basically focused on the vivid aspects of copyright. copyright nowadays have become a must for college students as well as professors. Copyright refers to the legal right of the owner of intellectual property. Around 109 students had participated in this seminar. Prof. Prashant Dusane started his lecture by first explaining what is a copyright and then discussed the format and various details of the copyright.

At the end it was an interactive session where students cleared their doubts regarding copyright.

- **Outcome Achieved:** Students understood the copyright law -that a work is original if the author made it by thinking independently and not copying it from somewhere. If you have that copyright to your product, no one can use or replicate your work.

- **Date:** 04/02/2020
