Title of Activity – Webinar on “Career opportunity in software simulation for mechanical engineers”

Objective of Activity: - To provide Guidance regarding Job opportunities in software filed

Number of students Involved: - 66

Faculty Coordinator: Prof. M.S. Kate

Brief Description of Activity:

The webinar was planned through online mode on topic “Career opportunity in software simulation for mechanical engineers” on 16th May 2021 at the time between 11 am – 12:30 pm. This session is very informative to SE, TE and B.E. students of Mechanical Engineering.

The presentation and case study demonstration was excellent and was thoroughly informative. Question, answer session was conducted at the end of program.

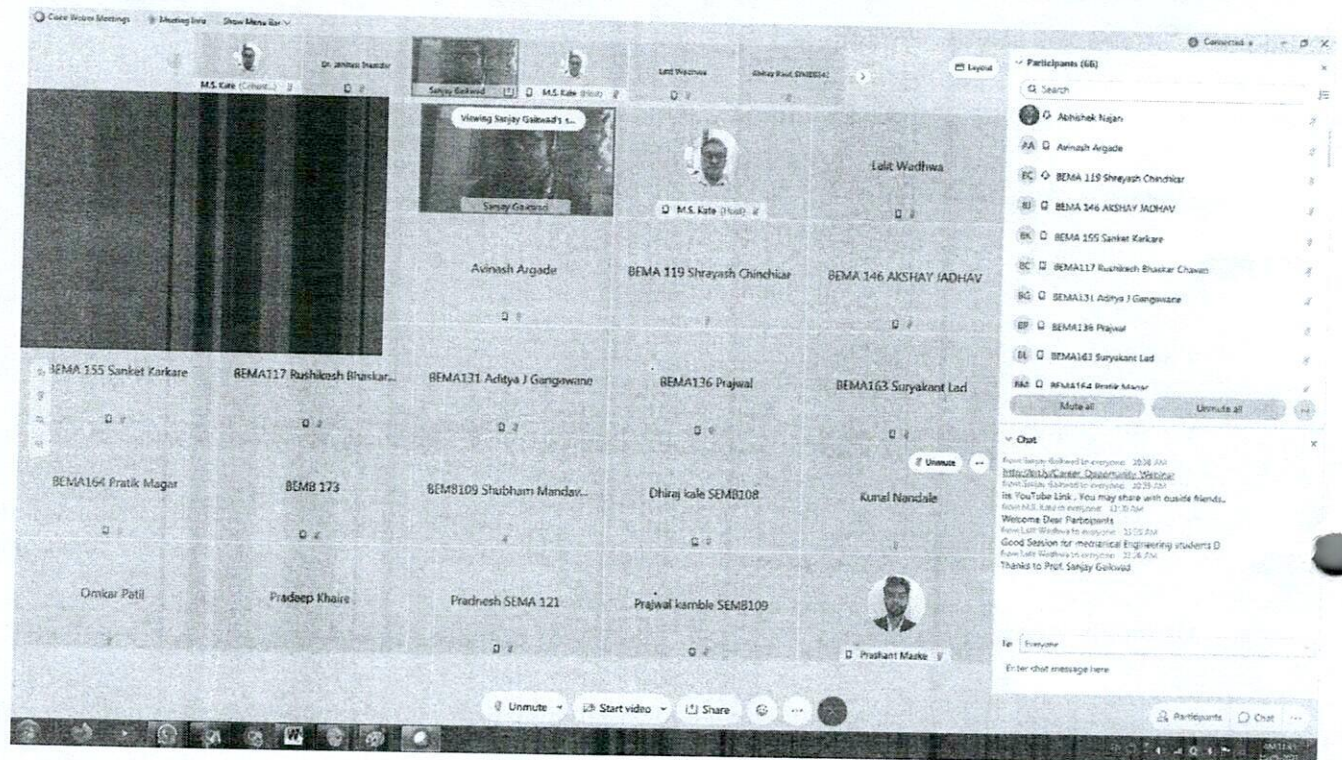

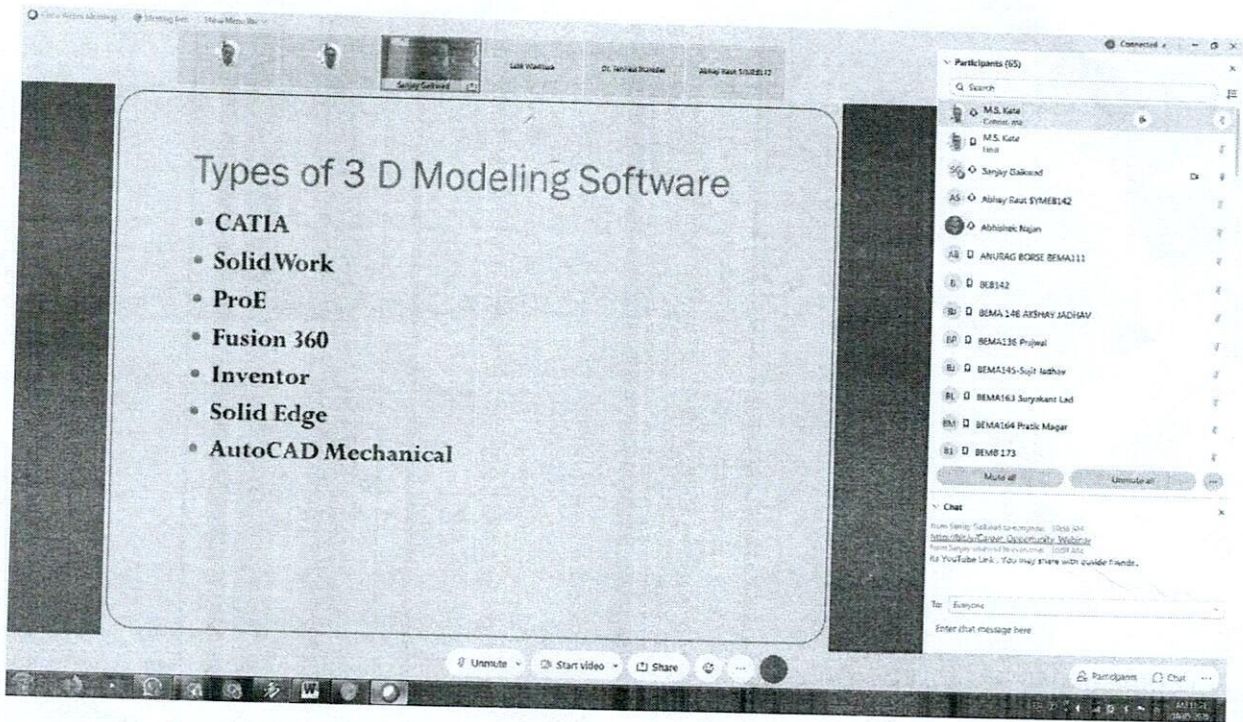

Outcome Achieved: -

Students achieved knowledge of Simulation using ANSYS software.

Title: webinar on "Explore the career path the secret"

Date of Event: 2/7/2020

Participants: 2nd, 3rd & 4th -year students of Mechanical Engineering of NMIET

No. of participants: 100

Faculty coordinator: Prof. Manojkumar Kate

Description: A session on "Explore Career Path: The Secret" was held with the aim of helping students discover their interests and passions and guide them towards a career path that aligns with their strengths and goals.

Prof. Rahul Patil has started the session by giving an introductory remark and brief about the keynote speaker. The session began with the career counselor presenting the importance of exploring one's interests and passions before choosing a career path. he encouraged the participants to take some time to think about their hobbies, talents, and values, which could guide them towards their desired career path. This was followed by a presentation showcasing the various career paths available and the essential skills required to succeed in them. Mr.Vijay Pawar conducted a very interactive and informative session for the students.

Outcome Achieved: - Awareness about career opportunities for mechanical students and GATE preparation.

Report for Event Organized

Department: Computer

Academic Year: 2020-21

Date: 12 September 2020

To,

The Principal,

Through: The HOD, Computer

Subject: Submission of the Report of Hitbullseye GD/PI Sessions for TE, BE Computer Engineering Students.

Respected Sir,

The rapid development in Computer Technology, during the last thirty years or so, has led to a growing interest in the subject of Hitbullseye GD/PI Sessions.

Objective behind this is to develop the logical reasoning skills and analytical ability of the student to handle the problems in Computer Engineering.

Hence care has been taken to introduce the student to various concepts gradually followed by examples and students have taken great benefit of this session.

No. of Participants: 129 students.

Report for Event Organized

Department: Computer

Academic Year: 2020-21

Date: 15th July, 2020

To,

The Principal,

Through: The HOD, Computer

Subject: Submission of the Report of Hitbullseye Mock Interview Session for TE, BE Computer Engineering Students.

Respected Sir,

The rapid development in Computer Technology, during the last thirty years or so, has led to a growing interest in the subject of Hitbullseye Mock Interview Session.

Objective behind this is to develop the logical reasoning skills and analytical ability of the student to handle the problems in Computer Engineering.

Hence care has been taken to introduce the student to various concepts gradually followed by examples and students have taken great benefit of this session.

No. of Participants: 126 students.

Report of the event/session organized

Department: IT

Academic Year: 2020-2021

Date: 23.02.2021

To,

The Principal,

Through: The HOD < IT > of NMIET

Subject: Submission of the Report of "Career in IT Industry with Alumni dated on 20th Feb.2021"

Respected Sir,

With above reference, we have successfully organized "Career in IT Industry with Alumni dated on 20th Feb.2021" for students of UG. The details are given below.

Venue: Department of IT at NMIET.

No. of Participants: 76

Coordinator: Prof. Prof. Vivek Nagargoje

Introduction: The IT industry is a dynamic and rapidly evolving sector that offers a plethora of career opportunities for individuals with diverse skill sets and interests. This report aims to provide insights into career paths within the IT industry through the experiences of alumni who have pursued successful careers in this field.

Key Findings:

1. **Diverse Career Paths:** Alumni reported pursuing diverse career paths within the IT industry, including software development, cybersecurity, data analysis, project management, and IT consulting. This highlights the versatility of the field and the range of opportunities available to IT professionals.
2. **Skill Development:** Continuous learning and skill development were cited as crucial factors for success in the IT industry. Alumni emphasized the importance of staying updated with the latest technologies, obtaining relevant certifications, and honing both technical and soft skills such as communication, problem-solving, and teamwork.
3. **Challenges Faced:** While the IT industry offers rewarding career prospects, alumni acknowledged facing various challenges along their career journeys. Common challenges included coping with rapid technological advancements, maintaining work-life balance, overcoming imposter syndrome, and navigating organizational politics.
4. **Advice for Aspiring Professionals:** Alumni offered valuable advice for individuals aspiring to pursue careers in the IT industry. Key recommendations included building

a strong foundation in fundamental concepts, gaining hands-on experience through internships or personal projects, networking with professionals in the field, and embracing opportunities for continuous learning and professional development.

Conclusion: The IT industry offers a wealth of opportunities for individuals with a passion for technology and innovation. Through continuous learning, skill development, and perseverance, aspiring IT professionals can embark on rewarding career journeys and make significant contributions to this ever-evolving field.
