<b>Event Report</b>		

**Title: - Career Prospect - An Alumni Interaction” for mechanical students**

**Date: - 5 /09/2021**

**Resource Person – Ms. Sanchita Rahane, Ms. Shalaka Bachche, Ms. Argin Attar**

**Participants: - SE &TE Mechanical**

**No. of participants: - 40 students**

**Faculty coordinator: - Prof. Prashant Maske**

**Brief Description of Activity:**

Alumni firstly introduce their work profile and responsibility in their placed company after that alumni guide students about the present career opportunities. The alumni emphasized the importance of developing soft skills, such as communication, teamwork, leadership, and adaptability. They suggested honing these skills through internships, extra-curricular activities, and volunteer work. The alumni emphasized the importance of developing soft skills, such as communication, teamwork, leadership, and adaptability. They suggested honing these skills through internships, extra-curricular activities, and volunteer work.

the alumni interaction session highlighted the importance of building a well-rounded professional profile that includes technical expertise, soft skills, networking, continuous learning, and a willingness to explore new opportunities.

**Objective of Activity: -**

1. to provide current students with valuable insights and guidance from successful alumni who have established themselves in their respective fields
2. to help students make informed decisions about their career paths, gain industry insights, and build networks.

**Activity outcome:**

1. Through the interaction, students will gain a deep understanding of various industries and the career opportunities within them
2. Through the interaction, students will gain a deep understanding of various industries and the career opportunities within them
3. Through the interaction, students will gain a deep understanding of various industries and the career opportunities within them.

AY-2021-22

Year	B.E.	Division	A & B
Course Coordinator	Mr. R.A.PATIL		
Gap Identified	Career Guidance and Soft Skills		
Topic Title	Expert Session on "career Guidance For Training & Placement"		
Date	11/10/2021		
Total Number of Students Presents	80		

**Brief Description of Topic Contains:**

the objective of session is to providing students with the necessary information and skills to make informed career decisions and improve their employment opportunities. The session was moderated by a Dr. Shitalkumar Rawandale .

Principal  
Nutan Maharashtra Institute  
of Engg. & Technology  
"Samarth Vidya Sanstha" Vishnupuri  
Talegaon Dabhade, 410507

The session began with a presentation on the importance of career guidance and soft skills in today's job market. Sir highlighted the difference between hard skills and soft skills and the role they play in an individual's career growth. he emphasized the need for students to be

aware of their strengths, interests, and abilities to choose a career path that aligns with them. They emphasized the need for students to develop communication skills, teamwork, time management, adaptability, and emotional intelligence. They also revealed the importance of networking and building relationships as it opens doors to new and better opportunities. The session was informative and engaging, providing students with a wealth of knowledge about career guidance and soft skills. The participants left the session with a better understanding of their strengths and the skills needed to succeed in their chosen career paths.

Report of the event/ Session organized

Department:IT

Academic Year: 2021-2022

Date:17.02.2022

To,

The Principal,

Through: The HOD-IT of NMIET

Reference: Two days Hands on session Organized on 16<sup>th</sup> Feb.2022

Subject: Submission of the Report of "Resume building Session"dated on 16<sup>th</sup> Feb.2022"

Respected Sir,

With above reference, we have organized Session on Resume building dated on 16<sup>th</sup> Feb.2022" for students of UG. The details are given below.

Venue: The event was organized by Department of IT at NMIET.

No. of Participants:101

Coordinator: Prof. Vivek Nagargoje

### Objective:

Cloud computing has emerged as a transformative technology, revolutionizing the way businesses manage and store data, deploy applications, and scale their operations. As more organizations migrate to the cloud, the demand for skilled professionals in this field continues to soar. This report provides an overview of career opportunities in cloud computing for college students.

**1. Job Market Overview:** The job market for cloud computing professionals is robust and growing rapidly. According to industry reports, the global cloud computing market is expected to reach a value of \$1.25 trillion by 2025. This exponential growth creates a plethora of career opportunities across various sectors and job roles.

### 2. Career Paths:

Cloud Architect: Responsible for designing and implementing cloud infrastructure solutions.

Cloud Engineer: Focuses on deploying and managing cloud environments, optimizing performance, and ensuring security.

PRINCIPAL

Nutan Maharashtra Inst. of Engg. & Tech.  
Talegaon Dabhada, Pune - 410 547

DevOps Engineer: Integrates development and operations teams, automates deployment processes, and ensures continuous integration/continuous deployment (CI/CD) pipelines in cloud environments.

### 3. Skills Required:

- a. Proficiency in cloud platforms such as AWS, Azure, Google Cloud Platform (GCP), or IBM Cloud.
- b. Knowledge of programming languages like Python, Java, or JavaScript.
- d. Familiarity with infrastructure as code (IaC) tools like Terraform or Ansible.
- e. Strong grasp of cybersecurity principles and best practices.

**5. Industry Outlook:** The adoption of cloud computing is expected to accelerate further as organizations seek to modernize their IT infrastructure, improve agility, and reduce costs. Consequently, the demand for skilled cloud professionals will continue to outpace supply, presenting abundant opportunities for college graduates entering the workforce.

### Conclusion:

Cloud computing offers promising career prospects for college students interested in technology and innovation. By acquiring the necessary skills, education, and certifications, aspiring professionals can embark on rewarding career paths in this dynamic and rapidly evolving field.

**Report of the event/session organized**

**Department:IT**

**Academic Year: 2021-22**

**Date:17.02.2022**

To,

The Principal,

Through: The HOD < IT > of NMIET

Subject: Submission of the Report of **"Alumni interaction for IT students dated on 15<sup>th</sup> Feb.2022"**

Respected Sir,

With above reference, we have successfully organized **"Alumni interaction for IT students dated on 15<sup>th</sup> Feb.2022"** for students of UG. The details are given below.

Venue: Department of IT at NMIET.

No. of Participants:79

Coordinator: Prof. Prof. Vivek Nagargoje

Introduction: Alumni interaction is a crucial aspect of academic institutions, providing current students with insights, guidance, and networking opportunities. This report outlines the recent alumni interaction session conducted for IT students, detailing its objectives, activities, outcomes, and recommendations for future interactions.

Objective: The primary objective of the alumni interaction session was to bridge the gap between current IT students and graduates, enabling students to gain practical insights into the industry, career prospects, and relevant skills required for success.

Activities:

1. Panel Discussion: A panel comprising alumni from diverse IT fields was organized to share their experiences, challenges, and career trajectories. The discussion covered topics such as emerging technologies, industry trends, and career advice.
2. Networking Session: Following the panel discussion, a networking session was conducted, allowing students to interact one-on-one with alumni. Students had the opportunity to seek personalized advice, ask questions, and build professional connections.
3. Workshops and Skill Sessions: Alumni-led workshops and skill sessions were organized to provide hands-on learning experiences. Topics ranged from programming languages and software development methodologies to project management and entrepreneurship.

Outcomes:

  
Principal  
Nutan Maharashtra Institute  
of Engg. & Technology  
"Samarth Vidya Sankul" Vishnupuri  
Talgaon Dabhade, 410507

1. Insights into Industry Trends: Students gained valuable insights into current and future trends in the IT industry, helping them align their skill development and career goals accordingly.
2. Career Guidance: Alumni shared practical advice on resume building, job hunting strategies, and career advancement, empowering students to make informed decisions about their professional journey.
3. Networking Opportunities: The networking session facilitated meaningful interactions between students and alumni, fostering mentorship opportunities and expanding students' professional networks.
4. Skill Enhancement: Workshops and skill sessions equipped students with practical knowledge and hands-on experience in relevant IT domains, enhancing their employability and readiness for the job market.

Recommendations:

1. Regular Alumni Interactions: Organize regular alumni interaction sessions to maintain engagement and provide ongoing support to students.
2. Diverse Alumni Representation: Ensure diverse representation of alumni from various IT sectors and career stages to cater to the varied interests and aspirations of students.
3. Feedback Mechanism: Implement a feedback mechanism to gather input from students and alumni, enabling continuous improvement and customization of future interaction sessions.
4. Integration with Curriculum: Integrate alumni interaction sessions into the curriculum to ensure maximum participation and relevance for students.
5. Follow-Up Resources: Provide students with follow-up resources, such as alumni contact information and career development materials, to facilitate continued engagement and support beyond the interaction session.

Conclusion: The alumni interaction session for IT students served as a valuable platform for knowledge exchange, mentorship, and networking. By leveraging alumni expertise and experiences, students gained practical insights and guidance to navigate their career paths successfully. Continued efforts to facilitate such interactions are essential to enriching the academic experience and enhancing students' employability in the dynamic field of IT.

**Activity :**

AY: 2021-2022

Date: 08/05 /2022

**Activity Report**  
**Session on GD/PI**

**Objective of Activity:**

The objective of this event is that students is being organized to see and evaluate their thinking skills, listening abilities and how students are communicating at the time of group discussion and ask series of questions to students to assess their professional and educational backgrounds.

**Number of Student Involved: 83**

**Brief Description of Activity:**

Our department of Computer Engineering has planned to organize “Series on Group Discussion and Personal Interview”.

**Group Discussion** – A group discussion tests the students ability to work in a team, to arrive at a common perspective on an issue. Good managerial skills require teamwork to find solutions to business problems and one has to work in conjunction with others’ views in the process. The GD tests the students ability to follow a structured approach and it helps the interview panel to identify personality traits of the students in the group setting, namely – teamwork, structuring of thoughts, communication skills, respect for others’ views and critical analysis.

**Personal Interview** – This is the final stage in the admission process. It helps the panel to understand the students with respect to their communication skills, confidence, career aspirations, concepts relating to subjects.

### Activity Report

## Session on Hitbullseye Mock Interview

### Objective of Activity:

The objective of this event is helps students to develop their interview strategies, enhance communication skills, answer challenging questions, and ease the nerves that many experiences before an actual job interview.

Number of Student Involved: 89

### Brief Description of Activity:

Our department of Computer Engineering has planned to organize a "Session on Hitbullseye Mock Interview".

It gives you an opportunity to practice what to say and do during an interview and get feedback. Whether it's face-to-face, online, or through a webcam, a mock interview is useful in reviewing students answers to common interview questions and assessing other factors such as students outfit, mannerisms, and body language.

## Report of the event organized

Department:IT

Academic Year: 2021-2022

Date:14/02/2022

To,

The Principal,

Through: The HOD IT of NMIET

Subject: Submission of the Report of "Session on Salesforce CRM dated on 14<sup>th</sup> Feb 2022

Respected Sir,

With above reference, we have successfully organized "Session on Salesforce CRM dated on 14<sup>th</sup> Feb 2022" for students of UG. The details are given below.

Venue: Department of IT at NMIET.

No. of Participants: 86

Coordinator: Prof. Vivek Nagargoje(IT,NMIET)

### Objective:

The objective of the event was to facilitate an interaction between current students and alumni to discuss career prospects in the event management industry.

**Alumni:** A panel of five alumni, representing diverse sectors within the event management industry, participated in the discussion.

### Key Highlights:

#### Insightful Panel Discussions:

The alumni panel shared valuable insights into their career trajectories, highlighting the diverse paths available within the event management field. Topics ranged from corporate event planning to experiential marketing and non-profit event coordination.

**Career Guidance and Advice:** Alumni provided practical advice on entering the industry, including internship opportunities, skill development, and networking strategies. They emphasized the importance of gaining hands-on experience and building a strong professional network.

**Q&A Session:** A lively Q&A session followed the panel discussions, allowing students to directly engage with the alumni panel. Questions focused on industry trends, job market dynamics, and tips for career advancement.

**Career Guidance and Advice:** Alumni provided practical advice on entering the industry, including internship opportunities, skill development, and networking strategies. They emphasized the importance of gaining hands-on experience and building a strong professional network.

**Q&A Session:** A lively Q&A session followed the panel discussions, allowing students to directly engage with the alumni panel. Questions focused on industry trends, job market dynamics, and tips for career advancement.

**Networking Opportunities:** The event provided a platform for students to network with alumni, exchanging contact information and discussing potential mentorship opportunities. Many students expressed gratitude for the chance to connect with industry professionals.

**Inspiration and Motivation:** Alumni shared personal anecdotes and success stories, inspiring students to pursue their passions within the event management field. The interactive format of the event fostered a sense of enthusiasm and motivation among attendees.

## Conclusion:

The event served as a valuable platform for current students to gain insights into the event management industry and establish connections with experienced professionals. By fostering meaningful interactions and providing practical guidance, the event contributed to the career development and aspirations of attendees.
