**Sub: Automation of your library using SLIM21 Library Management software  
- A Microsoft certified product.**

Dear Sir,

Thank you for giving your valuable time to participate in SLIM21 demonstration conducted at your office.

### About us

Algorhythms is a software company working in the field of library automation for more than 20 years. Its flagship product "SLIM" - System for Library Information and Management - is leading library management software in India implemented at about 350 libraries.

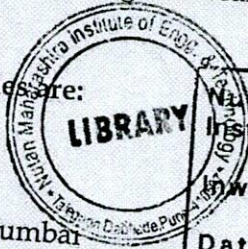

### What is SLIM21?

We, at Algorhythms, are committed to bring the advantages of the latest technology to our customers. As a part of this endeavor we offer SLIM21 library management software to libraries and information centers. SLIM21 has remarkable features to cater to the requirements of managing libraries in the 21<sup>st</sup> century. Please read the accompanying material to know more about SLIM21. **SLIM21 has passed Microsoft Certification Tests.** The certification means we at Algorhythms strive hard to provide quality product to our customers.

SLIM21 adheres to the international cataloguing (metadata generation) standards for print as well as non-print materials. Its high quality indexing and searching techniques help fetch information quickly and reliably.

Some of our important Engineering College libraries are:

1. Tolani Maritime Institute, Indori
2. Government College of Engineering, Pune
3. VJTI- Veer Jijamata Technological Institute, Mumbai
4. VIIT- Vishwakarma Institute of Information Technology-Pune
5. M. H. Saboo Siddik college of Engineering-Mumbai

## SLIM Annual Maintenance Contract

This agreement is signed between Algorhythms Consultants Pvt. Ltd (Algorhythms) and Nutan Maharashtra Institute of Engineering & Technology

Algorhythms is to provide Annual Maintenance Services to the library for the SLIM21 software for the period **1st November 2023 to 31st October 2024.**

### The AMC covers:

- Telephone and email support within 24-48 hours
- Upto 2 visits in a year in case you have problem
- Any software correction patches
- **Upgrades of SLIM modules** purchased by you

### What the scheme does not cover

- In case of a visit from our representative, a guarantee of the problem being solved on the same day. However, we will attempt to solve it in the earliest possible time frame

**NOTE:** With respect to data corruption, Algorhythms will review the nature and extent of the damage to the data and then decide on the solution. This may involve the following:

- a. rendering advice to recover from the data corruption.
- b. providing new programs to reconstruct data integrity.
- c. suggesting precautions that should be taken to avoid data corruption in the future

100% recovery of the data is not guaranteed. Some of the data items within data records may have to be re-entered by the end user.

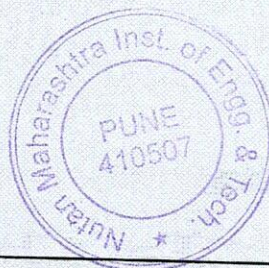

Algorhythms' software engineer will deal only with problems related to SLIM data files. Removal of virus or installing any other software or any such services are not covered.
