"Self-Declaration"

We are writing to inform you about the status of our research funding initiatives at Nutan Maharashtra Institute of Technology, Pune. Over the past two years, our institution has proactively approached various companies and organizations seeking research funding. Despite our persistent efforts, we have not yet received financial support from some company.

We remain optimistic, however, as we have received commitments that the funding will be disbursed in the upcoming academic year (A.Y. 2024–25). The research funding is crucial for advancing our academic and scientific endeavours, enhancing our research capabilities, and fostering innovation among our students and faculty.

We request you to kindly consider this context while evaluating our institution. We assure you that our commitment to research and development remains steadfast, and we are actively engaged in strengthening our partnerships with industry to secure the necessary funding.

Kindly consider the same for NAAC clarification 3.1.1 (1) and requesting for remove DVV clarification.

Thank you for your attention and consideration.

Yours sincerely,

Dr. Vilas Deotare
