▪ **Objective of Activity:**

Research objectives describe what your research project intends to accomplish. They should guide every step of the research process, including how you collect data, build your argument, and develop your conclusions. Your research objectives may evolve slightly as your research progresses, but they should always line up with the research carried out and the actual content of your paper.

▪ **No. of Participants:** 67 students.

▪ **Topic:** How to write Research Paper

▪ **Speaker:** Mrs. Hemlata Jadhav

Ph.D. Professor at MMCOE Pune, Maharashtra, India

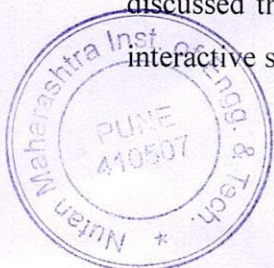

▪ **Brief Description of Activity:**

Department of Computer Engineering in Nutan Maharashtra institute of engineering & technology, Talegaon Dabhade Pune, has organized seminar on "How to write Research Paper" for Computer Engineering Students.

Our department of Computer Engineering has organized seminar on "How to write Research Paper" therefore this topic included as a research paper writing for students in Computer Engineering Courses.

The seminar topic was basically focused on the vivid aspects of research paper. Research paper nowadays have become a must for college students as well as professors. Around 67 students from various colleges had participated in this seminar.

Mrs. Hemlata Jadhav started her seminar by first explaining what is a research paper and then discussed the format and various details of the writing a research paper. At the end it was an interactive session where students cleared their doubts regarding research paper.
