INVITATION LETTER

To

Dr. P. R. Kale

Professor and Dean, Pimpri Chinchwad College of Engineering, Pune

Subject: Invitation for seminar on “**Analysis of characterization and testing techniques for research**” for faculties of the department.

Respected Sir,

I am very pleased to have the honor of inviting you to deliver seminar on “**How to write research proposal**” on dated 01.10.2021 at 9.30 am for faculties of the department.

Your seminar will be helpful for our faculties of the department to get thorough knowledge of the testing and characterization of the various tool used for research work.

You are requested to kindly accept our invitation and give us your consent.

Thanks with regards.

Department of Mechanical Engineering

REPORT

Department: Mechanical

Academic Year: 2021-22

Date: 08.10.2021

▪ **Objective of Activity:**

1. Faculty should aware of different characterization techniques used research work
2. Faculty should pursue the research in the field of Manufacturing, Production and materials science.

▪ **No. of Participants:** 14

▪ **Faculty Coordinator & Members:** Prof. Mangesh Kale

▪ **Topic:** Analysis of characterization and testing techniques for research

▪ **Speaker:** Dr. P.R. Kale

Professor and Dean, Pimpri Chinchwad College of Engineering, Pune

▪ **Brief Description of Activity:**

The department of mechanical Engineering had organized seminar on “**Analysis of characterization and testing techniques for research**” for Mechanical Engineering faculties. Dr. P.R. Kale has demonstrated different tool such as XRD, SEM, TEM. Moreover sir has also illustrated how to do the result analysis with the help of testing tools such as Impact and Tensile.

- **Outcome Achieved:** Faculties have started working in the area of manufacturing, production and material science and registrar Ph.D. in the same domain.

THANKS LETTER

To

Dr. P. R. Kale

Professor and Dean,

Pimpri Chinchwad College of Engineering, Pune

Dear Sir,

We sincerely thank you for accepting our invitation and delivering a seminar on **"Analysis of characterization and testing techniques for research"** for faculties of the department at Nutan Maharashtra Institute of Engineering and Technology, Talegaon Dabhade, Pune.

Your seminar was well received by our faculties and they were highly benefited with knowledge of various tools such as XRD, SEM, TEM, Tensile test, Compression test, and Impact test. I believe that these techniques will be definitely used by them in research work.

We are indeed, deeply indebted to you for sparing your valuable time for this session and look forward for same support in future.

Thank you once again.
