Permission Letter

To,
Principal,
NMIET, Talegaon.

Subject: Regarding permission for organizing Seminar of "Entrepreneurship opportunities in sector of Electric Vehicles" on 26.03.2022

Respected Sir/Madam,

As per above mentioned subject, the Department of First Year Engineering wishes to organize "A Seminar by Industry person Mr. Swapnil M. Gore for "Entrepreneurship opportunities in sector of Electric Vehicles" on 26.03.2022. With this application we are requesting you to grant permission to organize the seminar. This Seminar beneficial for students to visualize and conceptualize the Electric Vehicles

The workshop details as below mentioned table.

Invitation Letter

To

Mr. Swapnil M. Gore

Viram Enterprises, Pune

Subject: Invitation for a seminar on "Entrepreneurship opportunities in sector of Electric Vehicle" for FE Students.

Respected Sir,

I am very pleased to have the honour of inviting you to deliver a seminar on "Entrepreneurship opportunities in sector of Electric Vehicle" 26/03 /2022 at **10:00 am** to **12:00 pm** for the students of First Year Engineering.

Your lecture will be helpful for the students to get thorough knowledge of the subject.

You are requested to kindly accept our invitation and give us your consent.

Thanks with regards.

Report

**Topic: A Seminar by industry person conducted to train students on
 "Entrepreneurship opportunities in sector of Electric Vehicles"**

A seminar conducted to train students on "Electric Vehicles" on 26th March 2022. Expert has Guided Students about all-electric vehicle (EV) which uses an Lead Acid battery to store the electrical energy that powers the motor. EV batteries are charged by plugging the vehicle into an electric power source. They are also equipped with regenerative braking systems to capture the kinetic energy normally lost during braking and store it in the battery.

EVs are far more efficient than conventional vehicles and produce no tailpipe emissions. They also typically require less maintenance because the battery, motor, and associated electronics require little to no regular upkeep. Plus, electric vehicles experience less brake wear thanks to regenerative braking and have fewer moving parts and fluids to change relative to conventional vehicles.

Present Students:- 175

Thanking Letter

To

Mr. Swapnil M. Gore

MD, Viram Enterprises

Chakan 410501.

Dear Sir/Madam,

We sincerely thank you for readily accepting our invitation and delivering a seminar on **“A Seminar by Industry person Mr. Swapnil M. Gore for “Entrepreneurship opportunities in sector of Electric Vehicle “**students of first year Nutan Maharashtra Institute of Engineering and Technology, Talegaon Dabhade, Pune on 26-03-2022.

Your Session was well received by our students and they were highly benefited with your experienced and knowledge based inputs. The valuable exposure about the concepts presented by you will definitely help our students.

We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favourable support in future.

Thank you once again.
