### Activity Report

## Training on Aptitude and Logic Reasoning

### Objective of Activity:

The objective of this event is to inculcate a deep sense of awareness with regard to broadening their thought process and working hard in the direction of being smart thinkers with the ability of quickness in thoughts.

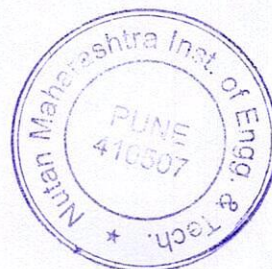

Number of Student Involved: 62

### Faculty Coordinator:

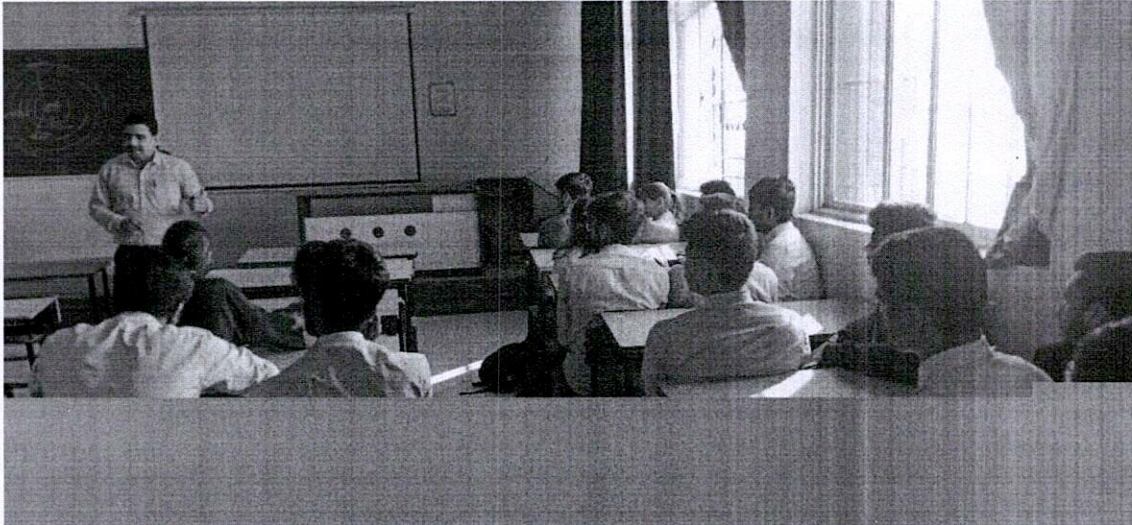

### Brief Description of Activity:

Our department of Computer Engineering has planned to organize "Training on Aptitude and Logic Reasoning".

In this event many students from computer department were present in the activity and this session becomes more useful to students because this training covers the topics such as Quantitative aptitude, Logical Reasoning and Data Interpretation which helps students to ace their Aptitude round of interviews. As well as it covers all the necessary skills required to crack the Aptitude round and help students to get their dream job.
