## Event Report

**Title:** session on health and hygiene

**Date:** 1/12/2022

**Participants:** 3<sup>rd</sup> year students of Mechanical Engineering of NMIET

**No. of participants:** 70

**Faculty coordinator:** Prof. P. B. Mali

**Description:** The objective of a session on health and hygiene is to educate and empower individuals with the knowledge and skills necessary to maintain good health, personal cleanliness, and a safe living environment. This session aims to promote healthy habits, disease prevention, and overall well-being by discussing various aspects of health and hygiene, such as proper nutrition, personal hygiene practices, sanitation, and risk management.

**Outcomes:**

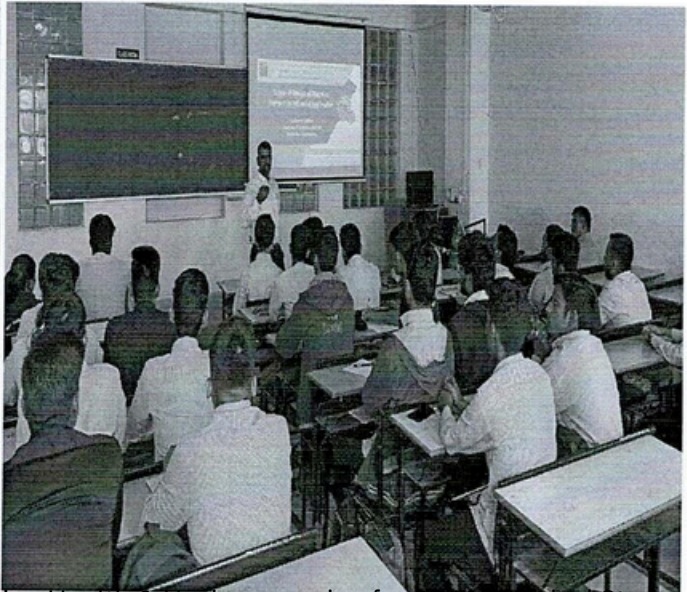

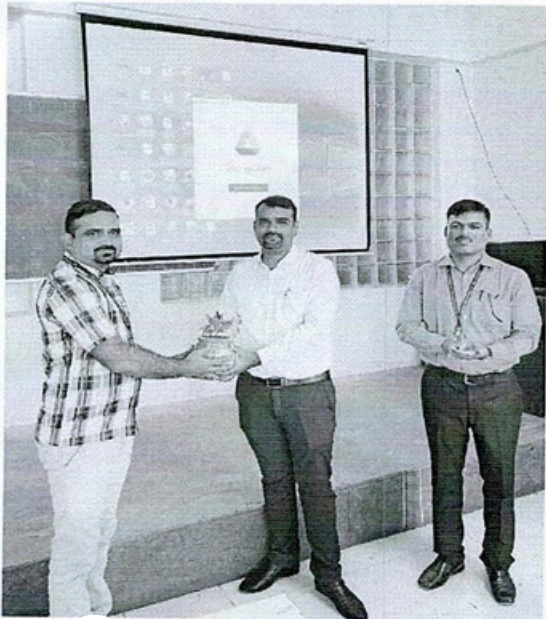

1. Increased awareness: Participants gain knowledge about various aspects of health and hygiene, such as personal cleanliness, nutrition, and disease prevention.
2. Behavioral changes: With newfound knowledge, individuals may adopt healthier habits and routines, such as regular hand washing, maintaining proper hygiene, and eating nutritious meals.
3. Enhanced community health: As individuals adopt healthier lifestyles, the overall health of the community may improve, reducing the spread of infectious diseases and promoting a healthier environment.
