Report for Training Organized

Department: Computer   **Academic Year:** 2022-23   **Date:** 19/09/2022

To,

The Principal,

Through: The HOD, Computer

Subject: Submission of the Report of Hitbullseye GD/PI Sessions for TE, BE Computer Engineering Students.

Respected Sir,

Mock interviews provide candidates with an opportunity to test out their interview skills for an actual job. A mock interview may be offered through career services for students or recent alumni, by a career coach or through a local workforce services office for candidates in the process of transitioning to a new opportunity. No one is the perfect candidate, so mock interviews help you clarify responses to certain questions and help you work on areas where you may have weaknesses. In a real interview, often not feedback about your interviewing abilities, so a mock interview is a perfect opportunity to find out why you may be having some difficulty in landing your dream job. Job coaches who conduct mock interviews are usually ready to point out your strengths in the interview process. By having confidence in your skills, you will perform better in an actual interview. Hence care has been taken to introduce the student to various concepts gradually followed by examples and student taken greatly benefited by this mock interviews.

No. of Participants: 54 students.
