Event Report		

Title: - Career Prospect - An Alumni Interaction” for mechanical students

Date: - 5 /09/2021

Resource Person – Ms. Sanchita Rahane, Ms. Shalaka Bachche, Ms. Argin Attar

Participants: - SE &TE Mechanical

No. of participants: - 40 students

Faculty coordinator: - Prof. Prashant Maske

Brief Description of Activity:

Alumni firstly introduce their work profile and responsibility in their placed company after that alumni guide students about the present career opportunities. The alumni emphasized the importance of developing soft skills, such as communication, teamwork, leadership, and adaptability. They suggested honing these skills through internships, extra-curricular activities, and volunteer work. The alumni emphasized the importance of developing soft skills, such as communication, teamwork, leadership, and adaptability. They suggested honing these skills through internships, extra-curricular activities, and volunteer work.

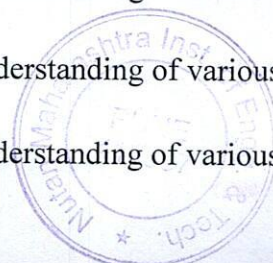

the alumni interaction session highlighted the importance of building a well-rounded professional profile that includes technical expertise, soft skills, networking, continuous learning, and a willingness to explore new opportunities.

Objective of Activity: -

1. to provide current students with valuable insights and guidance from successful alumni who have established themselves in their respective fields
2. to help students make informed decisions about their career paths, gain industry insights, and build networks.

Activity outcome:

1. Through the interaction, students will gain a deep understanding of various industries and the career opportunities within them
2. Through the interaction, students will gain a deep understanding of various industries and the career opportunities within them
3. Through the interaction, students will gain a deep understanding of various industries and the career opportunities within them.
