**I-20/F-1 Visa Request Process and Instructions:**

If you are a current citizen or permanent resident of the United States, you do not need to complete an I-20 request. The I-20/F-1 visa process is relevant for most admitted, international students and may be initiated by following the below instructions.

- The request process is entirely electronic. Instructions to obtain your I-20 document via secured mail will be sent to your Northeastern inbox once your request is approved.
- New students who would like to request an I-20 should confirm their enrollment by paying the confirmation of enrollment deposit using the above instructions under the header: **Accept or Decline Your Enrollment**.
- Generally new students who submit a complete electronic request will receive their I-20 within 2-4 weeks of submitting their request.
- Our electronic system is referred to as **myOGS**.
- The name myOGS is derived from the office at Northeastern that serves international students: the Office of Global Services (OGS).
- To use the myOGS system, you must first activate your myNortheastern account using the above instructions.
- To login to the myOGS system, you will use your myNortheastern Username and your myNortheastern Password.
- You will be prompted to upload several documents into the myOGS system to complete the I-20 process.

You will need electronic copies of the following:

1. **Color copy** of the identity page of your passport
2. Financial documents that meet the following criteria to avoid denial of your request:
  - Dated within 9 months of the program start date
  - Maturity date does not exceed the program start date
  - If fixed deposits: funds must mature before start date or confirm in writing that they may be withdrawn at any time

Financial documents and letters of financial support must be printed in English and the names of sponsors should be printed and signed in English. You may complete the myOGS process over several sessions.

To begin using the myOGS system, [CLICK HERE](#).

**Completing Your Official Admissions File:**

As soon as you decide that you plan to enroll at Northeastern University, arrange to send to us your official GRE and/or TOEFL/IELTS scores if required of you as an applicant, and if you have not done so already. Official test scores are those that are sent from the appropriate testing agency directly to Northeastern University. Also please arrange to mail to us your official transcripts (or their equivalent) to complete your official admissions file. Official transcripts are those that are sent from your previous institution directly to Northeastern University. Your goal should be to complete your admissions file/record before you enroll in courses, if possible. Mail to:

ATTN: Admissions  
Graduate School of Engineering  
Northeastern University  
130 Snell Engineering Center  
360 Huntington Avenue  
Boston, MA 02115

Official transcripts should include information on all courses, grades, and credits taken at any and all university-level institutions attended and if a degree was conferred, the transcripts should include information about the degree conferred and date of conferral. If your transcripts do not reflect your degree conferred and date of conferral, please also arrange to provide your final, official diploma or degree certificate. If your documents are in a language other than English, arrange also to send to us official English language translations. Note that any documentation that you submit to Northeastern University becomes the property of Northeastern University and cannot be returned.

If you already made the appropriate arrangements to complete your file, please do not be concerned with your status as shown on your electronic application, as it may take us several weeks to update our records. If additional information is needed, you will be contacted.

**Health Insurance:**

The Commonwealth of Massachusetts requires that all students who are matriculating, carry a course load of nine credits or more or are enrolled in a **full-time** program have hospital insurance. Students who are covered under comparable insurance may request to waive the health insurance fee. The University Health and Counseling Services Center, Northeastern's student health services, coordinates care for all students enrolled in the health insurance plan. Graduate students who have waived participation in the insurance are eligible for services if they have paid the student health fee. Please refer to the University Health and Counseling Services Center's web site for further

About Your GRE® Score Report

Score Reporting Policies

With the ScoreSelect® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the GRE® Information Bulletin for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

### Retaking a GRE Test

You can take the GRE® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

### For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at [www.ets.org/gre/understand](http://www.ets.org/gre/understand).

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at [gre-info@ets.org](mailto:gre-info@ets.org) or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).
