This means, online study from your home country will not be available for student visa holders in any academic session in 2023. This practice will be in accordance with an announcement made by the Australian Tertiary Education Quality and Standards Agency (TEQSA) of a return to standard regulatory practices for the mode of delivery to overseas students of Australian qualifications from 1 July 2023.

When you accept this offer, you will be issued with a Confirmation of Enrolment (CoE) to use to apply for a student visa so that you can travel to Australia to commence your studies. Please visit our [Frequently Asked Questions page](#) for admission and enrolment information.

#### Overseas Student Health Cover (OSHC)

As a mandatory student visa requirement, the Department of Home Affairs requires all student visa holders to maintain their OSHC for the duration of their student visa. Students who do not maintain their OSHC are at risk of not complying with their visa condition 8501.

Dear Mayur Pralhad Hole,

Congratulations! After careful consideration, the MS faculty admissions committee has accepted your application to the MS in Management Information Systems (MIS) program and is formally inviting you to be a member of the Summer 2023 entering class.

Please note that your admission is provisional pending final review by the Office of International Admissions of your application and determination of your eligibility to receive the official documents necessary for a US student visa (should it be required). Additionally, your admission is provisional pending receipt of official transcripts, proof of completion of an earned baccalaureate degree from a regionally accredited college or university by the date of intended enrollment and any other required documents. You will receive further instructions from the UB Office of International Admissions with your I-20 / International Welcome Packet regarding which documents to bring to campus. Do not mail items to the School of Management office as they will be discarded. The University at Buffalo reserves the right to rescind admission and revoke the I-20 Certificate of Visa Eligibility if it learns that any fraudulent documents were submitted, if any false or misleading statements were submitted, or if any required information or documents were omitted as part of your application.

We are enthusiastic about you joining our MS in MIS program. The Graduate Programs team will be communicating with you in April and provide details surrounding orientation, registration, and other program specific information needed for a successful transition. We recommend you arrive in Buffalo on July 6 to get settled. The last possible date of arrival is July 9, as classes begin on **July 10, 2023**.

If you choose to accept your spot in the UB MS in MIS program please submit your non-refundable \$500 tuition deposit by **April 25, 2023**. Deposits must be paid via credit card. Your UB person number is required to pay this deposit. If you have already uploaded all I-20 materials, you will receive an email with instructions to access your UB person number, along with the tuition deposit link, within 2-3 weeks. If you have not uploaded your I-20 materials, please upload them to your application immediately. I-20 issuance can take up to 6 weeks. Please note that we reserve the right to refuse tuition deposits received after the deadline.

In accordance with New York State Public Health Law, UB requires that all students (undergraduate, graduate, professional) born on or after January 1, 1957 provide an official record in English of their measles, mumps and rubella immunity, COVID-19 primary vaccination and meet the meningitis information requirement. UB students will not be allowed to register for classes until they have fulfilled these requirements. To learn more, visit <https://www.buffalo.edu/studentlife/who-we-are/departments/health/immunization.html>.

Lastly, since networking is such a crucial skill, I encourage you to begin building relationships with future peers and connecting with the School of Management on social media. Please contact the Graduate Programs staff with questions. I look forward to welcoming you to campus soon!
