**Instructions :**

- **Take Attendance:** Here you can take attendance for classes which are allotted to you. You will get students list automatically for that particular class by selecting particular class and subject. You have to check or uncheck the checkbox for particular student only. You can send immediate notifications to parents of students.
- **Calculate Report:** In this option you can calculate monthly report for subject of class which is allotted to you. To calculate report of attendance for whole class with every subject you have to calculate monthly report for your all subjects as per administrator guidelines.
- **Class wise Daily Report:** Here you can obtain daily attendance report for subjects of class which are allotted to you.
- **Student wise Monthly Report:** Here you can obtain monthly attendance report for particular student of class which is allotted to you.
- **Manage Profile:** Here you can manage your profile details like Name, Email, Contact Number, Password etc.
- **Allotment of Classes:** Here you can see classes and their respective subjects which are allotted to you according to time table.
