

Report on " Alumni Talk-How to select Project Topic"

AY: 2024-25

Department: Computer Engineering

Date: 31/07/2024

Objective of Activity:

1. To provide students with practical advice on selecting project topics.
2. To offer insights into current industry trends and demands.
3. To inspire and motivate students by sharing real-world experiences.
4. To facilitate networking opportunities between students and alumni.
5. To enhance students' understanding of effective research strategies and project management.

PO's Mapped: PO1, PO2, PO3, PO4, PO5, PO6, PO7, PO9, PO10, PO11, PO12.

Number of Student Involved: 80 Participants

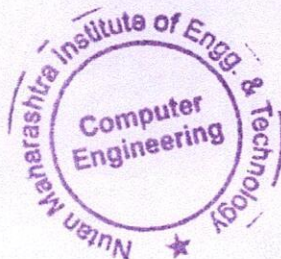

Speaker: Miss.Rutuja S Jambhulkar, Mr.Parth Jaiswal

Faculty Coordinator: Prof. Pritam Ahire

Brief Description of Activity: This Computer engineering department had the pleasure of hosting a guest lecture on "Alumni Talk-How to select Project Topic" how to select a project topic for final year students. The speaker was alumni Mr. Parth Jaiswal, His insights and guidance were invaluable to the students as they prepare to embark on their final year projects & placement.

Mr. Parth Jaiswal began his lecture by emphasizing the importance of choosing a project topic that aligns with the students' interests, strengths, and career goals. He stressed the need for students to select a topic that is both challenging and feasible, one that will push them to expand their knowledge and skills while also being achievable within the constraints of time and resources.

To help students navigate the process of selecting a project topic, Mr. Parth Jaiswal offered a step-by-step guide. He encouraged students to start by researching current trends and challenges in their field of engineering, as well as consulting with professors and industry professionals for input and

Department of Computer Engineering

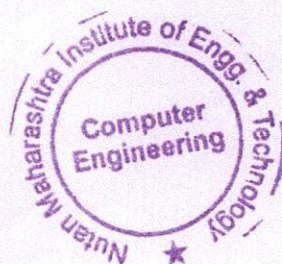

guidance. He also recommended considering the practical implications of their project topic, such as potential real-world applications and industry relevance.

In addition, both alumni's advised students to consider the availability of resources, expertise, and support when choosing a project topic. He emphasized the importance of selecting a topic that aligns with the resources and facilities available to them, as well as seeking out mentors and advisors who can provide guidance and support throughout the project.

Overall, lecture was highly informative and engaging, providing students with valuable insights and practical advice on how to select a project topic for their final year engineering projects. The students left the lecture feeling inspired and well-equipped to begin their project selection process, armed with the knowledge and tools necessary to choose a topic that will challenge and motivate them as they work towards completing their final year projects.

Outcome Achieved:

- The students gained a better understanding of the importance of selecting a relevant and impactful project topic that can demonstrate their abilities to potential employers.
- They also learned about the process of conducting research, identifying a problem statement, and formulating a clear research question for their projects.
- students in gaining clarity and direction in selecting a project topic that will not only showcase their skills and knowledge but also contribute to advancements in their field of study,
- Increased understanding of the importance of selecting a project topic that aligns with one's interests and career goals
- Improved ability to conduct research and identify potential project topics within their field of study
- Enhanced decision-making skills when choosing a final year engineering project topic

Dear Parth ,

We sincerely thank you for readily accepting our invitation and delivering an expert Lecture on **One Day session on by Alumni Talk-How to select Project Topic** for **Computer Engineering** students, Nutan Maharashtra Institute of Engineering and Technology, Talegaon Dabhade, Pune .

Your Session was well received by our students and they were highly benefited with your experienced and knowledge based inputs. The valuable exposure about the concepts presented by you will definitely help our students.

We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favourable support in future.

Thank you once again.

Subject: Invitation for workshop "Alumni Talk-How to select Project Topic" organized by
Department of Computer Engineering.

Respected Sir,

I am pleased to inform you that you are cordially invited for inauguration function of workshop on "Alumni Talk-How to select Project Topic" organized by department of Computer Engineering at Nutan Maharashtra Institute of Engineering & Technology, Talegaon D. and will be held on 31st July 2024.

We would really appreciate if you could accept our invitation and grace the occasion & Share your knowledge to our students.

Thanks & Regards,

Dr. Prasad Dhore
