Subject: Permission regarding seminar session on “**Hands on Chat GPT**” for Computer Engineering Students.

Respected Sir,

As per above mentioned subject, Department of Computer Engineering wish to organize the “**Hands on Chat GPT**” for Computer Engineering Students. With this application we are requesting you to grant the permission to organize seminar.

The expert lecture details as below mention table.

1	Expert Name	Prof. Satyajit Sirsat (Student Dean Welfare, T&P Co-ordinator)Nutan Maharashtra Institute of Technology, Talegaon, Pune
2	Lecture Hours	3 hours
3	Content	Hands on Chat GPT
4	Dates	07/03/2024
5	Venue	Computer Center (112)

Kindly consider this application & grant the permission to organize seminar on “Hands on Chat GPT”.

Thanking you.

Seminar on "Hands on Chat GPT"

Department: Computer

Academic Year: 2023-24

Date: 07/03/2024

Objective of Activity:

The main objective of ChatGPT is an artificial intelligence (AI) chatbot that uses natural language processing to create humanlike conversational dialogue. The language model can respond to questions and compose various written content, including articles, social media posts, essays, code and emails.

- **No. of Participants:** 124 students
- **Topic:** Hands on Chat GPT
- **Speaker:** Prof. Satyajit Sirsat (Student Dean Welfare, T&P Co-ordinator)
Nutan Maharashtra Institute of Technology, Talegaon, Pune

Special Guests:

- **Principal:** Dr. Vilas Deotare

Brief Description of Activity:

- The Hands-on Chat GPT workshop, conducted by Prof. Satyajit Sirsat, was held at the Nutan Maharashtra Institute of Technology (NMIET) in Talegaon, Pune, on the 7th of March, 2024, at 2:00 PM. A total of 124 engineering students, spanning from first-year to final-year, participated in this enriching workshop.
- The session began with an engaging introduction by Prof. Satyajit Sirsat, who provided a comprehensive overview of Chat GPT technology. Prof. Sirsat highlighted its capabilities, practical applications, and potential benefits in various engineering disciplines. The focus was on hands-on experience, enabling students to interact directly with the Chat GPT technology and understand its real-world applications.

- Dr. Vilas Deotare, the esteemed Principal of NMIET, graced the workshop with his presence. He extended his best wishes to the participants and emphasized the importance of such workshops in enhancing students' technical skills and keeping them abreast of the latest technological trends.
- The workshop's technical execution was smoothly managed by Mr. Kiran Kshirsagar, who provided invaluable technical support. His efforts ensured that all the necessary equipment and software were functioning seamlessly, facilitating an uninterrupted learning experience.
- Throughout the workshop, students were actively involved in practical exercises, exploring the functionalities of Chat GPT. They worked on various tasks and projects, applying the concepts discussed by Prof. Sirsat. This hands-on approach allowed the participants to gain a deeper understanding of how to leverage Chat GPT technology in their academic and professional pursuits.
- The session concluded with an interactive Q&A segment, where students posed their queries and received insightful responses from Prof. Sirsat. This interactive dialogue further enriched the learning experience and clarified any doubts the students had.
- The Hands-on Chat GPT workshop was a tremendous success, leaving the students inspired and equipped with practical knowledge on utilizing AI technologies. The event not only broadened their technical understanding but also encouraged them to think innovatively and explore new solutions in their engineering careers.
- **Acknowledgments:**
Special thanks to Prof. Satyajit Sirsat for conducting an informative and interactive workshop. Appreciation is extended to Dr. Vilas Deotare for his encouraging presence and to Mr. Kiran Kshirsagar for his technical support. The collaborative efforts of all involved made this workshop a highly valuable and memorable experience for the participants.

- **Outcome Achieved:**

ChatGPT technology significantly advances human-computer interaction, enabling natural language conversations and providing valuable assistance across various applications.

Dear Sir,

We sincerely thank you for readily accepting our invitation and delivering seminar on **"Hands on Chat GPT"** for **Computer Engineering** students, Nutan Maharashtra Institute of Engineering and Technology, Talegaon Dabhade, Pune.

Your Session was well received by our students and they were highly benefited with your experienced and knowledge based inputs. The valuable exposure about the concepts presented by you will definitely help our students.

We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favourable support in future.

Thank you once again.
