To,
Principal,
NMIET, Talegaon.

Subject: Permission regarding seminar session on “**Emerging technologies and their impact on R&D**” for Computer Engineering Students.

Respected Sir,

As per above mentioned subject, Department of Computer Engineering wish to organize the seminar on “**Emerging technologies and their impact on R&D**” for TE & BE Computer Engineering Students. With this application we are requesting you to grant the permission to organize seminar.

The expert lecture details as below mention table.

1	Expert Name	Prof. Pritam Ahire Asst. Professor, Department of Computer Engineering. Dean Research & Development, NMIET. PCET's NMIET, Talegaon D. Pune.
2	Lecture Hours	3 hours
3	Content	Emerging technologies and their impact on R&D
4	Date	04/04/2024
5	Venue	Classroom 302

Kindly consider this application & grant the permission to organize seminar on “**Emerging technologies and their impact on R&D**”.

Thanking you.

Department of Computer Engineering

Seminar on “Emerging technologies and their impact on R&D”

Department: Computer

Academic Year: 2023-24

Date: 04/04/2024

▪ **Objective of Activity:**

- As time goes on and the number of people who use information and communication technology (ICT) grows, emerging technologies are receiving a lot of attention from academics, researchers, and users. Emerging technologies are changing more quickly than ever, and it is important to start building skills early in education by using the right examples to teach and learn about digital citizenship.

- **No. of Participants:** 82 students.

- **Topic:** seminar on emerging technologies and their impact on R&D.

- **Speaker:** Prof. Pritam Ahire

(Asst. Professor, Department of Computer Engineering.
Dean Research & Development, NMIET)

- **Brief Description of Activity:**

Department of Computer Engineering in Nutan Maharashtra institute of engineering & technology, Talegaon Dabhade Pune, has organized seminar on “emerging technologies and their impact on R&D” for Computer Engineering Students.

Our department of Computer Engineering has organized seminar on “emerging technologies and their impact on R&D” therefore this topic included as an emerging technologies and their impact on R&D for students in Computer Engineering Courses.

The lecture topic was basically focused on the vivid aspects of emerging technologies and their impact on R&D. Emerging technologies and their impact on R&D nowadays have become a must for college students as well as professors. Around 82 students had participated in this seminar. Prof. Pritam Ahire started his lecture by first explaining what is an emerging

technologies and then discussed the details of the emerging technologies.

At the end it was an interactive session where students cleared their doubts regarding emerging technologies and their impact on R&D.

- **Outcome Achieved:** Students understood the emerging technologies and their impact on R&D.

- **Date:** 04/04/2024

Time: 10:00 am to 1:00 pm

Dear Sir,

We sincerely thank you for readily accepting our invitation and delivering seminar on **"Emerging technologies and their impact on R&D"** for **Computer Engineering** students, Nutan Maharashtra Institute of Engineering and Technology, Talegaon Dabhade, Pune.

Your Session was well received by our students and they were highly benefited with your experienced and knowledge based inputs. The valuable exposure about the concepts presented by you will definitely help our students.

We are indeed, deeply indebted to you for sparing your valuable time for this event and look forward to the same favourable support in future.

Thank you once again.
