## Contributions to Policy Making

### 1. COVID-19 Work

Special interviews on “COVID-19” forecast five times on TV media and three times on radio. Special presentation to **Hon’ble Dr. Bharati Pawar**, Union Minister for Health & Family Welfare of India, **Hon’ble Shri. Rajesh Tope**, Health Minister, Maharashtra State, and **ICMR Scientists** on “*Revisited COVID-19 Mortality and Recovery Rates: Are we Missing Recovery Time Period?*”. Moreover, I have published 8 research papers, and authored one book.

### 2. CGPA Work

Presented my work to the **Hon’ble Education Minister**, Government of Maharashtra, and consequently, the government constituted a committee to study the issue. The committee approved my work and forwarded it to the government for implementation. I gave a presentation on CGPA policy document to **Hon’ble Principal Secretary**, Higher and Technical Education, Maharashtra State.

### 3. NAAC Work

I have defined and registered copyright of three novel methods for the Assessment and Accreditation of Colleges/ Universities by Pragmatic and Mathematical Approaches. This work has been discussed and shared with the **Hon’ble Chairman, and Advisor, NAAC**.

### 4. NEP-2020 Work

My work on “Indian Academics and Implementation of NEP-2020: Challenges and Solutions” was published in September-2022 volume of AIU’s journal. I presented my work to the Hon’ble **UGC Secretary** and authored 03 articles in Newspapers.

### 5. AIU Sports Work

I was Special Invitee for the “**AIU National Sports Award Committee**”, India, and Meeting with Dr. Baljit Singh Sekhon, Joint Secretary, Youth Affairs and Sports, AIU, New Delhi, INDIA and other Members on 04 Oct. 2022.

***Thus, I have been consistently toiling through the flavors of Mathematical, innovative, design thinking. Furthermore, I have been trying to apply my expertise for addressing societal and national challenges, which is a leap towards Nation Building in my own capacity.***
