## Message

“

Nutan Maharashtra Vidya Prasarak Mandal has started “Nutan Maharashtra Institute of Engineering & Technology” with the aim of providing quality higher education with global standards. We persistently seek and adopt innovative methods to improve the quality of higher education in the field of Engineering & Technology.

We are aiming to become a Best Engineering College in Pune as well as provider of Top placement in pune. We are providing individual attention, world class quality education and take care of character building. With steady steps, we will continue our march forward. We look forward to meeting you here at NMIET, Pune.

- Dr. Vilas Deotare,  
Principal,  
NMIET, Talegaon

# **VISION OF THE DEPARTMENT**

**To be a notable and competent  
education provider in the field of  
Information Technology develop  
professionals for serving the needs  
of an industry and society**

# **MISSION OF THE DEPARTMENT**

**To provide a quality education  
through the state of the art  
resources to build technologically  
competent individuals**

# Message

“

A warm and affectionate welcome from the Department of Information Technology at PCET NMIET, Talegaon. Information Technology is widely recognized as an essential source of tools and techniques for advancement in nearly all spheres of human endeavour.

Department was established during the inception of the Institute in 2008 as the department of Information Technology, has an intake of 60 students which grown into a full-fledged department, imparting quality education to the students. I am certain that our students will prove to be an invaluable asset to an organization.

**- Prof. Ashish Bapurao Manwatkar  
HOD (Information Technology Department)  
NMIET, Talegaon.**

*Being the Editor, I feel privileged in presenting our department magazine "TURING TALES". It is designed to showcase the talents of our faculty members and students. With a sense of pride and satisfaction I would like to say that with the active support of the Management, Director, Principal, HOD, Faculty members and Students, the department magazine has come alive. I extend my thanks to the colleagues of my department for being a part of the editorial board. With all the efforts and contributions put in by the Faculty members and Students; I truly hope that the pages that follow will make some interesting reading.*

**Sameer Thite (Final Year)**

*We always wanted to put together all the exceptional talent in our department together at a place. Well with " TURING TALES " we tried to make it happen. The TURING TALES team believes to "Strive for progress, not perfection" because perfection might have an end line progress doesn't.*

### ***Omkar Darekar (Final Year)***

*Working on this magazine provided me a chance to discover an editor, a writer and a team player within myself. I look forward for more such ventures!*

### ***Yogini Wani (Third Year)***

*"TURING TALES", The departmental magazine gives us lot of information about many interesting topics. The experience of working with the team of "TURING TALES" was really valuable and memorable.*

### ***Saurabh karande (Third Year)***

*It was immense pleasure to be a part of this magazine. It was totally a new experience which has indeed been a value addition task for me as a student. I look forward for more such opportunities!*

### ***Mahesh Yadav (Third Year)***

*"TURING TALES" presents the achievements of students and contributions of teachers. Our endeavour is to update on the latest trends of technologies coming up and flashing some light on the innovative minds of the youth today. We hope all the readers will enjoy this issue as much as we enjoyed creating it*

## **Sakshi Kulkarni (2nd Year)**

***TURNING TALES HELPED ME TO DISCOVER THE NEW TECHNOLOGIES WHILE PRESENTING IT AS A MAGAZINE OF THE DEPARTMENT. THIS HELPED US TO DISCOVER OUR INNER TALENT.***

## **Athulya M Jose (2nd Year)**

***IT WAS HONOUR TO WORK AND EDIT THIS EMPECCABLE PIECE OF OUR DEPARTMENT'S ENDEAVOURS. NOT ONLY I WAS ABLE TO SEE AND FEEL INSPIRED BY LOOKING AT MY DEPARTMENT'S ACHIEVEMENTS BUT ALSO FELT PROUD AS A FELLOW STUDENT. FOREVER THANKFUL TO BE PART OF THE EDITORIAL TEAM.***

## AI INSIGHTS:

# "Exploring ChatGPT, Google Bard, and More"

[HTTPS://CHAT.OPENAI.COM](https://chat.openai.com)

ChatGPT, developed by OpenAI, is an advanced AI language model that transforms how humans interact with computers by generating text responses that resemble human language. With its vast knowledge base, natural language processing abilities, and versatility, ChatGPT can help users with a variety of tasks. But it is important for users to be aware of its limitations and to exercise critical judgment. OpenAI strongly emphasizes ethical usage and encourages user feedback to continuously improve the model. ChatGPT is an innovative model of artificial intelligence that revolutionizes the way we interact with technology.

[HTTPS://BARD.GOOGLE.COM](https://bard.google.com)

Google Bard is an AI language model renowned for its creative and poetic text generation. It utilizes machine learning algorithms trained on literary works to assist in storytelling and inspire writers. While impressive, users should be mindful of its limitations and ethical considerations. Google Bard represents a significant advancement in AI-driven creativity, offering a glimpse into the future of AI's role in the arts.

[HTTPS://OPENAI.COM/RESEARCH/DALL-E](https://openai.com/research/dall-e)

DALL·E is a powerful AI model by OpenAI that generates images based on textual descriptions. It combines deep learning and generative modeling to create unique and imaginative visuals. While its output is impressive, it has limitations and may not always produce perfect results. DALL·E highlights the potential of AI in visual creativity and finds applications in design and art.

[HTTPS://GITHUB.COM/FEATURES/COPILOT/](https://github.com/features/copilot/)

GitHub Copilot and Copilot X are AI-powered code assistants developed by GitHub and OpenAI. GitHub Copilot provides real-time code suggestions and auto-completion based on extensive open-source code analysis. Copilot X expands the support to more programming languages and environments. These tools empower developers, foster collaboration, and accelerate development workflows.

# Emerging Technology Trends of 2022-2023

An expert session was conducted by Mr. Yogesh Kulkarni and Mr. Abhishek Tanwade from Nitor Infotech in Pune. The session was attended by 50 students and aimed to educate them about the recent technologies in the IT industry in 2023. During the session, the speakers provided real-life examples of AI-Machine Learning, blockchain, low code technology, data science, and data analytics. By sharing practical use cases, the session helped the students grasp the applications of these technologies in various domains. Overall, the session successfully achieved its objective of familiarizing the students with the latest advancements in the IT field.

**Faculty Co-ordinator:

# PROJECT COMPETITION AND DUGAAD

DATE  
18/04/2023

FACULTY COORDINATOR  
PROF. KAPIL WAGH  
PROF. DHEERAJ PATIL

In a project competition conducted recently, 50 students participated, out of which 25 were from outside NMIET (assuming this refers to an educational institution). The event was coordinated by Prof. Dheeraj Patil and Prof. Kapil Wagh. External judges were appointed from NCER, Pune.

## **Names of the judges**

**Prof. Prasad Dhore**

**Prof. Saili Sable**

**Prof. Dhammajyoti Dhawase**

**Prof. Priyanka Vyas**

**Prof. Ashwini Shinde**

# Coding Competition & Treasure Hunt

`print("Ignite your skills, rise above the rest!  
Unleash your inner explorer, chase the  
ultimate quest!")`

**Date**  
**19/04/2023**

**Faculty Coordinator**  
**Prof. Supriya Bhosale**

In the coding competition, a total of 12 students participated, out of which 4 students were from other colleges. The competition was coordinated by Prof. Supriya Bhosale. The judging panel included Prof. Laxmikant Malphedwar and Prof. Vivek Nagargoje.

**For the Treasure Hunt competition, there were 95 participants, with 10 students from other colleges. The coordination was handled by Prof. Shivaji Patil, and the judging was done by Prof. Vivek Nagargoje.**

# QUIZ COMPETITION

"IGNITE YOUR  
MIND, SEIZE  
VICTORY  
WITH  
KNOWLEDGE!"

**DATE**  
**20/04/2023**

**FACULTY COORDINATOR**  
**PROF. SONALI DONGARE**

**A quiz competition was conducted with the coordination of Prof. Sonali Dongare and judging by Prof. Dheeraj Patil.**

**The competition saw participation from 31 students,**

**out of which 4 students were from other colleges.**

# BOX CRICKET

In the Box Cricket event, a total of 120 students participated, including 24 students from other colleges.

**DATE**  
**20/04/2023**

**FACULTY COORDINATOR**  
**PROF. VIVEK NAGARGOJE**

The coordination of the event was handled by Prof. Vivek Nagargoje, and the judging was done by Prof. Shivaji Patil and Prof. Laxmikant Malphedwar.

The background is a vibrant impressionistic painting of a landscape. The upper portion shows a sky with swirling, textured brushstrokes in shades of blue, teal, and white. Below the sky, a path or road winds through a lush green field, also rendered with thick, expressive brushstrokes. The colors are rich and varied, including greens, yellows, and blues. Overlaid on this painting is a black rounded rectangle in the center, which contains the word "ART" in a large, white, serif font. Surrounding the rectangle and scattered across the page are several solid-colored circles in various hues: blue, green, purple, pink, and red.

# ACHIEVEMENTS *by*

## IT Department's Staff & Students

In an era where knowledge sharing and intellectual pursuits hold immense value, we often come across individuals who go above and beyond to contribute to their respective fields. Today, we celebrate the outstanding achievement of Mr. Laxmikant Malphedwar & Mrs. Supriya Bhosale, remarkable educators who recently published a book named 'Python Programming for Effective Problem Solving' with a prestigious Pandit Publications. This noteworthy accomplishment not only reflects their expertise and dedication but also serves as an inspiration to both students and colleagues alike.

### 'Tech Fiesta Competition Participants'

Our students have actively participated in various cultural activities, sports, and competitions and have excelled in their respective fields. Their exceptional skills and commitment have earned them several accolades and achievements.

*Refer to the Section Placements & Toppers:* We are excited to showcase the extraordinary accomplishments of our students, highlighting their exceptional talent and unwavering commitment. It is with great pride that we announce the remarkable achievement of **48** final-year students from our IT department, who have secured coveted positions in renowned companies. This outstanding success is a true reflection of their dedication and perseverance. These students have emerged as shining examples of excellence in their respective fields.

### 'Department of the year 2023'

As a result, our IT department has been recognized as the "Department of the Year" In 'VIHANGAM 2023'. We take pride in their accomplishments and acknowledge their significant contributions to our institution's success.
