Subject: Notice for Internal Hackathon: Smart India Hackathon 2024

Smart India Hackathon 2024: "SIH is a nationwide initiative designed to engage students in solving some of the most pressing challenges faced in everyday life. It provides a dynamic platform for students to develop and showcase their creative solutions to real-world problems. SIH bridges the gap between academic knowledge and practical application, promoting out-of-the-box thinking among young minds, particularly engineering students from across India. It allows students to showcase their skills and encourages collaboration with industry experts, government agencies, and other stakeholders."
