Day 1 (19.03.2025)

NSS camp at Bhadwali Village from 19th to 23rd March, started at 2PM from college towards the village. Thanks to the Principal sir (**Dr. S.N. Sapali**) and CEO (**Dr. Ramchandra Jahagirdar**) Sir for support and motivation.

Reached the village today at 3.30PM, after everything settle down, student did the overview of the village. Village is situated on the bank of Pavana River. There are 50 homes in the village with the population of 350.

Day 2 (20.03.2025)

Early morning students wake up at 6AM and went for morning walk. In the breakfast they had Poha and Farsan. From 10 to 1PM they did cleanness activity in the village. All the garbage collected in the village they had burn in the dumping yard. In lunch they had flower curry.

In the afternoon there was the lecture of **Dr. Vilas Deotare**, on Envirnment and Sustanability. Sir focused on how to form the ecosystem of Air, Water and Earth to save the environment. Sir emphasized on 3 R, Reduced, Recycle, and Reused. Students motivated and inspired by sir lecture. In the evening sir and our students had dry murmura bhel and tea. Day end with potatoe curry.

Besides, I am very thankful to **Dr. Vilas Deotare** sir for spending time here in the school with head master and delivering lecture.

Day 3 (21.03.2025)

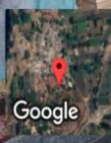

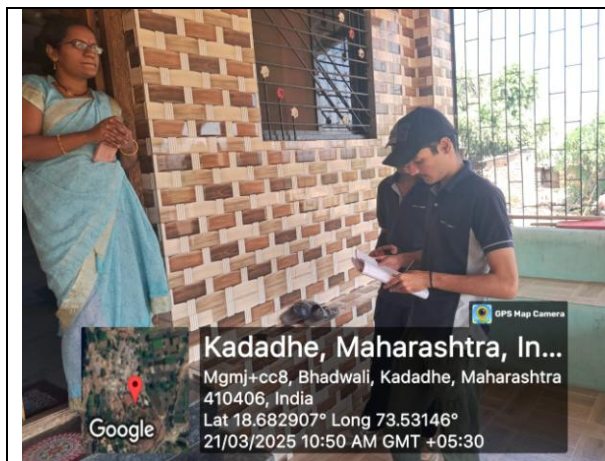

Students wake up at 6AM and did the morning walk. Later on they had breakfast of Upma and Farsan.

At 10 AM they had started survey of the village regarding education and health. Majority of the people's are educated in village and they are doing additional work to earn income. Major income source is farming. The problems they are facing in village were discussed. They don't have too much awareness regarding health, majority of the children frequently fall sick in the village. Our students subjected them preventive measure for better health. In the lunch they eat Bhindi curry.

In the afternoon session **Dr. Shekhar Rahane** deliver lecture on objective and importance of NSS. Sir had also given brief inside on Environment and how human being is responsible to create or damage the environment. Sir had also told the importance of tree plantation and how to survive them for long run. Students become fully energetic with sir lecture. In the evening sir and our students had Nimbu Pani and Matki Bhel. As per the demand of the students day end with chicken curry and rice.

Besides all, I am very much thankful to **Dr. Shekhar Rahane** sir for their motivating the students. Thanks are also extended to **Prof. Sarika Patil** mam and **Prof. Renuka Kalaje** mam for their visit in the camp. In the night **Prof. Yogesh Shepal** and **Prof. Tushar waykole** visited the camp and they stay here at the night.

Day 4 (22.03.2025)

Student's wakeup at 6 am and went for the morning walk. Latter in the breakfast they had prepared the Poha by their own. As per the request by the villager today our student has gifted them plant. During the yesterdays survey (21.03.2025) villagers told that tree plantation is required, too much heat is there in village in spite of it is on bank of Pavana River. So, our students gifted those plants like, Almond, Nimb, bel etc. In the lunch they had mixed veg.

In the afternoon surprise session of **Prof. Satyajit Shirsat** on concept of subconscious mind. Sir had also given the training on soft skills required for placement. Day end with Masala Bhendi. In the night **Prof. Spandan Waghmare** visited the camp with their telescope and discussed about the sky gazing. Sky gazing activity enjoyed by our students and children of the villages. This activity was conducted from 10 to 12 Midnight.

Day 5 (23.03.2025)

Today after the lunch camp was concluded successfully. I am very thankful to Principal **Dr. S.N. Sapali** sir, CEO **Dr. Ramchandra Jahagirdar** sir and special thanks to our **Trustee members** for their support and motivation.

I also express my heartfelt gratitude to **Dr. Vilas Deotare** sir, **Dr. Shekhar Rahane** Sir, **Prof. Sarika B. Patil** mam, **Prof. Renuka Kajale** mam, **Dr. Yogesh Shepal** sir, **Prof. Tushar Waykole** sir, **Prof. Spandan Waghmare** sir, and **Prof. Satyajit Sirsat** sir for spending their valuable time in camp and make this as memorable one by interacting with our students.

I am also thankful to **Prof. Bhimrao Gaikwad** sir who had suggested me this village for camp, Head Master of Z.P. School Bhadawali **Mr. Dnyaneshwar Shivnekar** sir, Sarpancha of village **Mr. Sambhaji Lohar** who had permitted accommodation and conduction of camp respectively. Last but not least I am also thankful to our Achari **Mr. Navnath Lohar** for making delicious food for our students.
